## Import Permit

0001

Under section 10(o) of the Agronomic Industry Act of 1992, read together with Government Notice No. 101 of 2006, it is hereby authorized that:

\_\_\_\_\_ Date: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

may import the following value of the controlled horticulture products for human consumption.

This permit is valid from \_\_\_\_\_ to \_\_\_\_\_

Permits are subject to the following conditions:

1. This permit is not transferable.
2. This permit automatically becomes invalid in terms of Section 10(n)(iv, v, vi) of the Act, once the monetary value has been reached.
3. The holder of this permit is obliged to furnish the NAB on a monthly basis and in a format acceptable to the NAB, with documentary evidence of:
  - a. the value of Namibian grown horticulture produce bought and;
  - b. the value of imported horticulture produce.
4. The holder of this permit is obliged to procure at least 17.5% locally grown horticulture products in the past three months in order to secure an unlimited import permit for the next three months.
5. Should the holder of this Permit fail to procure such locally grown horticulture products equal to or more than the minimum percentage factor calculated over a period of three months, a permit issued in respect of the following three months shall be limited to a pro rata maximum to be determined in accordance with the following formula:

Maximum value of produce to be imported =  $y/z*t$

Where:

y = actual percentage achieved

z = minimum percentage factor

t = total imports

6. By way of a written notice from the Namibian Agronomic Board to the holder of this permit, the authorization granted to the holder of this permit can be limited or withdrawn, without notification of reasons. Imports undertaken prior to the said notice will not be affected by the possible limitation or withdrawal of such authorization.
